Who We Are ?

Arm Crew Management (Pvt) Ltd is a company that provides crewing services to the international shipping industry. The company specializes in providing saloon crew, including stewards and saloon trainees, as well as deck ratings and engine ratings.

As a crew management company, Arm Crew Management is responsible for recruiting, training, and deploying qualified maritime professionals to work on ships. The company works with a network of international shipping companies to match skilled crew members with available positions on board vessels.

In addition to finding employment for maritime professionals, Arm Crew Management also provides ongoing support and assistance to crew members while they are working on board ships. This can include assistance with travel arrangements, accommodation, and other logistical support.

The company is dedicated to providing high-quality crewing services to the international shipping industry and is committed to maintaining the highest standards of safety and professionalism. If you are a maritime professional looking for employment opportunities or a shipping company in need of skilled crew members, Arm Crew Management (Pvt) Ltd can help.

Why Choose Us?

2

All Inclusive

We have extensive knowledge of the global port network, which allows us to cater for specific needs in various environments.

All Work Guaranteed

One of reliable company that provide crew Management Services for international partners all over the world.

Managing Director's Message

The Arm Crew Management has been delivering sustainable profit growth while building a solid business foundation amidst a challenging operating environment. My mission is to extend this trajectory into the future and turn the Arm Crew Management into a leading global company.

We continue to face new challenges in our business environment; the pace and scale of change are unprecedented.

In order to overcome these challenges, the Arm Crew Management has undergone an organizational transformation that includes initiatives such as globalization and restructuring. These improvements will enable us to become faster at identifying and addressing shifts in the landscape. But there is more to be done, and we remain fully committed to strengthening our capabilities and to further evolving the organization going forward.

Capt. Chanaka Nuwan Jayalath

Senior Master Mariner | Managing Director

Maritime Training

Managed and operated by a team of seasoned marine officers, the center helps shape Sri Lankan seafarers who are able and ready to perform the duties and responsibilities required onboard ships.

Arm Crew Management (Pvt) Ltd is a leading provider of training for deck ratings, engine ratings, and saloon ratings in Sri Lanka. The company has a team of experienced instructors who are knowledgeable in all aspects of maritime operations and are committed to helping individuals develop the skills and knowledge they need to succeed in these roles.

Deck ratings are responsible for the maintenance and operation of the deck equipment on a ship, including anchor handling, mooring, and cargo operations. Engine ratings are responsible for the maintenance and operation of the engine room on a ship, including the engines, boilers, and auxiliary machinery. Saloon ratings are responsible for the maintenance and operation of the passenger areas on a ship, including the dining room, lounges, and cabins.

Arm Crew Management (Pvt) Ltd offers comprehensive training programs for all of these positions, covering a wide range of topics such as safety procedures, technical skills, and regulatory requirements. The company also provides placement services to help individuals find employment as deck ratings, engine ratings, or saloon ratings in the maritime industry.

With its strong reputation and connections in the industry, Arm Crew Management (Pvt) Ltd is a reliable choice for individuals looking to receive high-quality training and start a career in the maritime sector as a deck rating, engine rating, or saloon rating in Sri Lanka. So, if you are based in Sri Lanka and are interested in entering the maritime industry, Arm Crew Management (Pvt) Ltd is a great choice for your training and placement needs.
